

AlphaCard ID Builder Elite

Easily design, print, and manage ID cards & badges

Powerful ID Card Software

As the premier solution for ID card production and database management in Mac environments, AlphaCard ID Builder combines user-friendly design tools with a wide range of database options for storing and organizing records for any professional application.

AlphaCard ID Builder for Mac card software is designed specifically for Mac OSX 10.5 and above, and works with all PVC ID card printers.

Elite Edition Features

AlphaCard ID Builder Elite is the most advanced version of the software, designed for large organizations where multiple users will need to access the software. Elite also supports ODBC connections to an external database.

SYSTEM REQUIREMENTS:

Mac OSX 10.5 or higher, Intel 64bit processor, 512MB of RAM, and 500MB free hard drive space.
