

P330*i* and P330*m* Card Printers

The Most Reliable & Expandable Card Printer in its Class

The Zebra P330*i* is the latest generation of Zebra's most popular card printer, with tens of thousands of printers installed worldwide. Designed and built for demanding environments, the P330*i* delivers reliability and performance for high-volume card production. Expansion options for networking and card encoding give the P330*i* the flexibility to meet your specific requirements. Affordable and easy to use, the Zebra P330*i* is the new leader in performance card printers. For monochrome-only printing applications and personalization, choose the P330*m* for a lower cost alternative.
